August 17, 2026 Approximately 6:56pm - Adam Stade and Joe Sokol followed me, my husband, and our youngest son from Bangor City Council Chambers to our car parked on Center St. Stade held a phone and shotgun microphone, recording us, while he and Sokol repeatedly asked questions of my husband like "why did you get so angry at the end of the meeting? Why didn't you want public comment? Why do you want to silence people? Don't you have a conflict of interest? What's your reaction to calls for recusal? Isn't that your wife? Is she the registered agent of Dignity First?" We did not engage. They were uncomfortably close to us as we walked to our vehicle, slowing us down. We entered our vehicle while they continued to shout questions and film us in the vehicle. They stood in the street, obstructing us from moving at first and continued filming us as we left.

The video and sound footage from this incident was later used in a post by the Maine Wire on both their Facebook and YouTube page on August 18, 2026. They used the footage to try to suggest that my husband and I are somehow profiting off of my former nonprofit with whom I severed ties over 18 months ago, have no contact or any connection any longer. They are earning money by posting inaccurate and provocative information which is damaging to my reputation.

September 12, 2026 - Stade posted and set as his cover photo on his Facebook page an AI generated photo where he clearly used my husband's and my photos to create an image depicting us as homeless, mocking a homeless person appearing to be having a mental health or substance use-related episode who he posted a picture of on August 29 and also made his cover photo. The AI generated photo of my husband and I leads the viewer to believe we are engaged in some sort of sexual act as evidence of the comment section on the post.

September 14, 2026 - Stade posted a new version of this photo as his cover photo with more distortion of my body and he removed the note from the corner of the picture "This is satire by Adam Stade" which removes all ambiguity about his intent.

He posted these AI generated photos without our permission to use our likeness. Per Title 17-A § 511-A, using it as his cover photo on Facebook which is public-facing by default, it's clear he meant to shame, embarrass, harass, and torment me and my husband.

Please see attached photo documentation. The screenshots of the video show Joe Sokol, but Adam Stade is the one recording the video.
