

MAINE JUDICIAL BRANCH

Jamie Beck v. Adam Stade

DISTRICT COURT

Location (Town): Bangor

Docket No.: BANDC-PFH-2026-00180

DENIAL OF REQUEST FOR PROTECTION FROM HARASSMENT TEMPORARY ORDER

The motion for a temporary order is denied for the following reasons:

- ☒ Based on the allegations in the sworn complaint, a notice to cease harassment pursuant to 17-A M.R.S. § 506-A must be served on the defendant(s) and a copy filed with the court before a temporary order may issue.
- ☒ The allegations in the sworn complaint are insufficient to support a finding that the plaintiff may be in immediate and present danger of physical abuse from the defendant or may suffer extreme emotional distress as the result of the defendant's conduct or the business property is in immediate and present danger of suffering substantial damage as a result of the defendant's actions.
- ☒ **The allegations reference 17-A M.R.S. § 511-A, concerning the unauthorized dissemination of "private images" of persons "in a state of nudity or engaged in a sexual act or engaged in sexual contact or an image that has been created or modified so that it appears to show the depicted person in a state of nudity or engaged in a sexual act or engaged in sexual contact." The photographs provided with the application do not appear to show persons "in a state of nudity or engaged in a sexual act or engaged in sexual contact."**

The clerk shall schedule a hearing on the complaint unless the plaintiff chooses not to proceed.

Date (mm/dd/yyyy): 9/18/2026
