13. Mental Epic Book Underway

Message by Paul Romhany (NZ)

Recently I started collecting routines from magicians around the
world relating to Hen Fetch's Mental Epic Board. This also
includes any routines using the one ahead principle. So far I
have gathered a great source of material from people such as Dan
Garrett, Banachek, Richard Webster, Matthew Johnson, Andrew
Gerard, Ed Fowler, David O'Connor to name a few. I am still
collecting routines and if you would like to be a part of this
book then please email me your routine to paul@chaplinmagic.com

I would love to hear from any magicians who have performed or
come up with ideas, twists and full routines using this principle
in magic. It doesn't have to be the Mental Epic board but ideas
pertaining to the basic idea.

Among the stars already booked are Franz Harary, back by popular
demand, and Blackpool's star illusionist Russ Stevens.

Also appearing will be the ever popular David & Dania, the crazy

this recession. You need to book now! Contact Arthur Casson at 44
