I love this magazine

Look at the contents of this issue! Not only does it come with great articles, there are a few gimmicks stowed in an envelope on the last page. What a treat!

I have Yigal's spool, but having some pre-made loops makes my day. I'm lazy that way.

Is this your magazine?

Verified buyer **Pro Privacy ON** (login to see reviewer names) on August 4th, 2021

This is a cool magazine. It is worth the price. They have great interviews and at least 1 and sometimes more tricks, insight and theory. I really appreciate getting something cool like this in the mail. Sometimes they give gifts, loops/ physical tricks/ etc. Thank you

Review for Penguin Magic Monthly: July 2021

Verified buyer **Pro Privacy ON** (login to see reviewer names) on July 29th, 2021

Congratulations on a very nice issue and the free pack of Loops is very generous. Just for clarification: you get a free pack of Loops, but (at least in my set) there were "just" 3 loops - still very kind :)
